Range Use --

Access type	Number of days currently?	Number of days after project?
Public Access (1)		
Hunter Education		
Hunter Sight-in Days		
Youth Education		
Youth Competition		

ENGINEERING (if applicable)

Name:

Qualifications:

MAINTENANCE (Responsible Party)

Responsible organization:

Contact Information:

SITE PLAN

Please include a map to show the general location of the range, including the nearest community and access roads. Also include a diagram of the range that includes existing and proposed range features. The diagram may be hand drawn.

LAND OWNERSHIP

Property to be developed must be controlled by the local sponsor for the life of the project. A copy of the lease, easement, or title must be given to CPW to ensure public access to the property throughout the life of the project. Give the name of the landowner and the type of legal instrument guaranteeing public access for a minimum of the useful life of the project. If the project is selected the applicant will be required to furnish a copy of such document.

Property Owner:

Legal Instrument (including length of lease if not owned by project sponsor):

MAIN CPW STAFF CONTACTED FOR PROJECT

Name, title, phone number (e.g., District Wildlife Manager, Regional Manager, Area Wildlife Manager, Hunter Education Coordinator):

Acknowledgements:

By signing or submitting this application, the project sponsor acknowledges the following –

____ An environmental stewardship (lead mitigation) plan has been or will be submitted.

____ Public access will be allowed at the range, based on reasonable terms, conditions and fees agreed to with CPW, for the useful life of the range improvements.

____ All information in the application is true and accurate.

____ No construction work will commence prior to the issuance of a contract or purchase order from CPW.

____ Credit signage for Colorado Parks and Wildlife participation in the improvements will be included in the final project.
