To the Board of County Commissioners  
Alamosa County, Colorado  
Alamosa, Colorado

## Report on the Audit of the Financial Statements

### *Opinions*

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Alamosa County, Colorado (the County), as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County, as of December 31, 2023, and the respective changes in financial position, and, where applicable, cash flows thereof, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinions*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

**Certified Public Accountants**

forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Accounting principles generally accepted in the United States of America require that the budgetary comparison information as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the

information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The accompanying combining and individual fund financial schedules, the schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and the Local Highway Finance Report, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of passenger facility charges collected and expended is presented for purposes of additional analysis as required by the provisions of the Passenger Facility Charge Audit Guide for Public Agencies, issued by the Federal Aviation Administration (the Guide), and is also not a required part of the basic financial statement. Such information is the responsibility of management, was derived from, and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial schedules, the schedule of expenditures of federal awards, the schedule of passenger facility charges collected and expended, and the Local Highway Finance Report are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 13, 2024 on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

**ALAMOSA COUNTY, COLORADO**  
**RECONCILIATION OF TOTAL GOVERNMENTAL FUND BALANCES**  
**TO THE STATEMENT OF NET POSITION**  
**December 31, 2023**

**TOTAL GOVERNMENTAL FUND BALANCES** \$ 31,106,269

Amounts reported for governmental activities in the statement of net position are different because:

Loans receivable are not available to pay for current period expenditures, therefore, are reported as unavailable revenue in the funds. 468,548

Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds. 51,665,370

Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds.

Financed Purchase Agreements	\$ (2,197,617)	
Certificates of Participation	(15,650,000)	
Premium on COP's	(1,535,154)	
Compensated Absences	(414,016)	
		(19,796,787)

Internal service funds are used by management to charge the costs of services to individual funds. The assets and liabilities of the internal service fund are included in governmental activities in the statement of net position. 90,472

**ALAMOSA COUNTY, COLORADO**  
**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,**  
**AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS**  
**TO THE STATEMENT OF ACTIVITIES**  
**For the Year Ended December 31, 2023**

**NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS** \$ 2,914,553

Amounts reported for governmental activities in the statement of activities are different because:

Revenues in the governmental funds that provide current financial resources for loans receivable accrued in the statement of net position. (231,452)

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Fixed Asset Additions	\$ 13,156,518	
Deletions Net of Accumulated Depreciation	300,500	
Depreciation Expense	<u>(2,133,822)</u>	
		11,323,196

Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. The bond premium provides a current financial resource to governmental funds, but must be capitalized and amortized over the life of the bonds in the government-wide financial statements.

Debt Proceeds	(302,000)	
Financed Purchase Agreement Principal Payments	190,301	
Certificates of Participation Payments	980,000	
COP Premium Amortization	<u>127,929</u>	
		996,230

Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds.

Compensated Absences		(27,042)
----------------------	--	----------

Internal Service Funds are used by management to charge the costs of certain activities to individual funds. The net revenue (expense) of the internal service funds is reported with governmental activities.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting and reporting policies of the County reflected in the accompanying financial statements conform to accounting principles generally accepted in the United States of America applicable to state and local governments. Accounting principles generally accepted in the United States of America for local governments are those promulgated by the Governmental Accounting Standards Board (GASB) in *Governmental Accounting and Financial Reporting Standards*.

**REPORTING ENTITY**

***Primary Government***

The County is a political subdivision organized under the statutes of the State of Colorado. The County is governed by a three-member Board of County Commissioners (the Board). Each commissioner is elected at-large by the voters of the County to represent one of the three separate districts and must reside in the district for which he or she is elected. There are also six other elected officials - assessor, clerk and recorder, coroner, sheriff, district attorney, and treasurer. The treasurer is also the County Public Trustee.

The County provides a wide range of services to its residents including general administration, public safety, highways and streets, parks and open spaces, health and social services, airport operations, public improvements, planning, zoning, and predatory animal control.

The County's combined financial statements include the accounts of all County operations. The criteria for including organizations as component units within the County's reporting entity, as set forth in Section 2100 of GASB's *Codification of Governmental Accounting and Financial Reporting Standards*, include whether:

- The organization is legally separate (can sue and be sued in their own name)
- The County holds the corporate powers of the organization
- The County appoints a voting majority of the organization's board
- The County is able to impose its will on the organization
- The organization has the potential to impose a financial benefit/burden on the County
- There is fiscal dependency by the organization on the County
- The organization is financially accountable to the County
- The organization receives or holds funds that are for the benefit of the County; and the County has access to a majority of the funds held; and the funds that are accessible are also significant to the County.

The Northwest Weed Control District was voted into existence in 1989. In 1992, the Alamosa County Commissioners assumed administration of the District and tax revenue received by the fund. The District is blended into the County's financial statements as a special revenue fund.

The Alamosa County Events and Facilities Local Marketing District was voted into existence November 3, 2003. The County Commissioners administer the District and tax revenue received by the fund. The District is blended into the County's financial statements as a special revenue fund.

**GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS**

The government-wide financial statements include the Statement of Net Position and the Statement of Activities. Government-wide statements report information on all of the activities of the County and its component units, except for County fiduciary activity. The effect of interfund transfers has been removed from the government-wide statements but continues to be reflected on the fund statements. Mainly taxes and intergovernmental revenues support governmental activities.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

The statement of activities reflects the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include:

- Charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and
- Grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included in program revenues are reported as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the fiduciary funds are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

**MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. This measurement is also used for the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants are recognized as revenue when all applicable eligibility requirements imposed by the provider are met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

The County reports the following major governmental funds:

- The **General Fund** is the general operating fund of the County. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.
- The **Road and Bridge Fund** is used to account for the maintenance and improvements of streets and highways. The sources of funds include property taxes, highway users fees, and other revenue sources.
- The **Social Services Fund** is used to account for the operations of social programs; i.e. Temporary Aid to Needy Families, Old Age Pension, Aide to the Blind, Aide to the Needy and Disabled, among others. Financing is provided by grants, allotments, and property tax revenue.
- The **Justice Center Fund** is used to account for sales taxes collected to meet the statutory obligations of the County to provide adequate judicial and detention facilities.

Proprietary fund financial statements are used to account for activities, which are similar to those often found in the private sector. The measurement focus is dependent upon determination of net income, financial position, and cash flows. The County's proprietary funds consist of two enterprise funds and an internal service fund described as follows:

- The **Mosca Wastewater Treatment Fund** is an enterprise fund used to provide quality sewer service to the residents of Mosca. The fund is supported by fees of the users. Expenses are for operation and repair of the sewage system.
- The **Airport Fund** is an enterprise fund used to provide airport services to the San Luis Valley. The Airport is supported by intergovernmental revenue, fuel sales and landing fees. Expenses are for operation and repair of the airport.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

- The *Health Insurance Fund* is an internal service fund used to account for the County's group medical insurance program. Revenues are derived from County contributions and employee contributions. Expenses are for the purchase of health insurance premiums.

The proprietary funds are accounted for using the accrual basis of accounting as follows:

- Revenues are recognized when earned and expenses are recognized when the liabilities are incurred.
- Current-year contributions, administrative expenses, and premium payments, which are not received or paid until the subsequent year, are accrued.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statement because the resources of those funds are not available to support the County's own programs. The fiduciary fund financial statements consist of custodial funds that are fiduciary in nature and present changes in fiduciary net position. Custodial funds are accounted for using the accrual basis of accounting. These funds are used to account for assets that the County holds for others in a fiduciary capacity.

- The *Public Trustee Fund* was established to account for expenditures for the Public Trustee's Office. The Public Trustee is appointed by the Governor of Colorado for a four-year term. This office administers foreclosures including issuance of Public Trustee deeds, cure of default and lien redemptions.
- The *County Treasurer Fund* accounts for monies collected (principally tax collections) by the Alamosa County Treasurer for various local government entities within the County.
- The *Jail Commissary Fund* is used to account for funds collected for and disbursed for inmates.

Certain eliminations have been made as prescribed by GASB Statement No. 34 in regards to interfund activities, payables, and receivables. All internal balances in the statement of net position have been eliminated. In the statement of activities, internal service fund transactions have been eliminated.

**ASSETS, LIABILITIES, DEFERRED INFLOWS OF RESOURCES, AND NET POSITION / FUND BALANCE**

***Cash***

The County's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

***Investments***

All investments, if any, are recorded at fair market value.

***Property Taxes***

Property taxes attach as an enforceable lien on property as of January 1 each year. The taxes are payable in two installments on February 28 and June 15 or in full on April 30. The County Treasurer bills and collects all property taxes for the County. Property tax revenue is recognized by the County to the extent it results in a current receivable. The 2023 property tax levy due January 1, 2024, has been recorded in the financial statements as a receivable and corresponding deferred inflow of resources in the financial statements.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

***Receivables/Payables from Other County Funds***

Balances that originate from current lending/borrowing arrangements between funds are referred to as “Due To/From Other Funds”.

***Inventories and Prepaid Items***

Inventory is valued at the lower of cost (first-in, first-out) or market. Inventory in the special revenue funds consists of expendable supplies held for use. Reported inventories are equally offset by nonspendable fund balance, which indicates that they do not constitute "available spendable resources" even though they are a component of net current assets. Inventory policy on government-wide statements is consistent with fund statements.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

***Capital Assets***

Capital Assets, which include land, buildings and improvements, equipment, vehicles, construction in progress, and infrastructure assets (e.g. roads, bridges, sidewalks, and similar items), are reported in the applicable governmental activities columns in the government-wide financial statements. The County defines capital assets as assets with an initial, individual cost of more than \$5,000. Capital assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Capital assets are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Building	35-50
Furniture & Fixtures	5-10
General Equipment	3-20
Vehicles	5-15
Infrastructure	5-50

***Leases***

Lessor: The County recognizes a lease receivable and a deferred inflow of resources in the government-wide, governmental, and proprietary fund financial statements.

At the commencement of a lease, the County initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflows of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflows of resources is recognized as revenues over the life of the lease term.

Key estimates and judgments include how the County determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts.

- The County uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancellable period of the lease. Lease receipts included in the measurement of the lease receivable is composed of fixed payments from the lessee.

The County monitors changes in circumstance that would require a remeasurement of its lease, and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

In accordance with GASB statement No. 87, *Leases*; previously recorded leases have been renamed as financed purchase agreements.

***Long-Term Obligations***

Long-term debt and other long-term obligations are recorded as liabilities in the government-wide financial statements. In the fund financial statements for governmental fund types, debt proceeds are reported as other financing sources and debt payments are reported as debt service expenditures.

***Compensated Absences***

County employees may earn and accumulate unused vacation and sick leave benefits. All vacation and sick leave pay is accrued when incurred in the government-wide financial statements. A liability is reported in governmental funds only if they have matured, for example as a result of employee resignations or retirements.

***Deferred Inflows of Resources***

In addition to liabilities, the statement of net position reports a separate section of deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to future periods and will not be recognized as an inflow of resources (revenue) until that time.

***Encumbrances***

The County does not record purchase orders in the accounting system until invoices are ready for payment. Unfulfilled purchase commitments outstanding at the end of the budget year are rebudgeted in the succeeding year. End of the year fund balance intended to be used in the succeeding year is reported as designated fund balance.

***Net Position***

Net position represents the difference between assets, deferred outflows of resources, liabilities, and deferred inflows of resources. Net position should be displayed in the following three components:

- *Net investment in capital assets* – consists of capital assets, net accumulated depreciation, reduced by the outstanding balances of any borrowings that are attributable to the acquisition, construction, or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction, or improvement of those assets or related debt should be included in this component of net position.
- *Restricted* – consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. Restricted assets consist of assets that have limitations imposed on their use either through enabling legislation or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments.
- *Unrestricted* – consists of net amount of assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted components of net position.

***Fund Balance***

Fund balances are classified based on the extent to which the District is bound to honor constraints for the specific purposes on which amounts in the fund can be spent. Fund balances are classified in one of the five categories:

- *Nonspendable Fund Balance* – amounts that cannot be spent because they are not in spendable form—such as inventory and prepaid insurance.
- *Restricted Fund Balance* – amounts with constraints placed on the use of resources are either (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or (b) imposed by law through constitutional provisions or enabling legislation.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

- *Committed Fund Balance* – amounts that can only be used for specific purposes as a result of constraints imposed through resolution by the Board of County Commissioners, the highest level of decision making authority. Committed amounts cannot be used for any other purpose unless the Board removes those constraints by taking the same type of action. Committed fund balances differ from restricted balances because the constraints on their use do not come from outside parties, constitutional provisions, or enabling legislation.
- *Assigned Fund Balance* – amounts a government intends to use for a specific purpose; intent can be expressed by the Board of County Commissioners or by an official or body to which the governing body delegates the authority.
- *Unassigned Fund Balance* – amounts that are available for any purpose; these amounts are reported only in the General Fund.

When an expenditure is incurred for purposes for which both restricted and unrestricted net position/fund balance is available, the County considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, and unassigned fund balances are available, the County considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless the Board of County Commissioners has provided otherwise in its commitment or assignment actions.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

***Use of Estimates***

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

***Reclassifications***

Certain reclassifications were made to fiscal year 2022 financial statements in order to conform to the fiscal year 2023 financial statement presentation.

***New Accounting Pronouncements***

During fiscal year 2023, the County adopted the provisions of GASB Statement No. 96, *Subscription-Based Information Technology Arrangement (SBITA)*, that establishes that a SBITA is defined as a contract that conveys control of the right to use another party's (a SBITA vendor's) information technology (IT) software, alone or in combination with tangible capital assets (the underlying IT assets), as specified in the contract for a period of time in an exchange or exchange-like transaction. This standard requires governmental entities to record a subscription liability and an intangible right-to-use subscription asset for those contracts for the subscription term. This standard does not have a material effect on the financial statements of the County.

**NOTE 2 STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY**

***Budgets and Budgetary Accounting***

Alamosa County follows the procedures set forth in the Colorado Local Government Budget Law when preparing the annual budget for each fund. Budget procedures include:

- Preparation of budget documents by administrative staff, which shall be submitted to the Board no later than October 15 of each year.
- Publication of a notice stating that the budget is available for public inspection.
- Discussion of the budget in a meeting open to the public.
- Adoption of the budget in a public meeting by appropriate resolution, no later than December 31.

Formal budgetary integration is employed as a management control device for all funds of the County. All budgets are adopted on a basis consistent with U.S. generally accepted accounting principles (GAAP).

The total expenditures for each fund cannot exceed the budgeted amount unless a supplemental appropriation is adopted. The Board of County Commissioners adopted supplemental appropriations during 2023.

All budget amounts presented in the accompanying supplementary information reflect the original budget and the final amended budget.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

**NOTE 3 CASH, DEPOSITS, AND INVESTMENTS**

A summary of cash and investments for the County are as follows:

Cash on hand	\$ 3,300
Cash in banks	7,338,027
COLOTrust	13,119,517
COLOTrust Edge	372,224
CSIP	11,371,058
C-SAFE	548,159
Investments	<u>-</u>
Total cash, deposits, and investments: (book balance)	32,752,285
Less: amounts related to Treasurer's Agency Fund	<u>(1,125,683)</u>
Total cash, deposits, and investments on Statement of Net Position	<u><u>\$ 31,626,602</u></u>

***Cash and Deposits***

Colorado State Statutes govern the County's deposits of cash. The statutes specify eligible depositories for public cash deposits, which must be Colorado institutions and must maintain federal insurance (FDIC) on deposits held.

The Colorado Public Deposit Protection Act (PDPA) requires that all units of local government deposit cash in eligible public depositories determined by state regulators. Amounts on deposit in excess of federal insurance levels must be collateralized in accordance with the PDPA. PDPA allows the institution to create a single collateral pool for all public funds to be maintained by another institution or held in trust for all the uninsured public deposits as a group. The market value of the collateral must be at least equal to the aggregate uninsured deposits.

***Custodial Credit Risk – Deposits***

Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. The County does not have a deposit policy for custodial credit risk. At December 31, 2023, \$5,549,856 was exposed to custodial credit risk. Deposits exposed to credit risk are collateralized with securities held by the pledging financial institutions through PDPA.

***Investments***

The County's investment policy and Colorado statutes specify investment instruments meeting defined rating and risk criteria in which local government entities may invest. They include:

- Obligations of the United States and certain U.S. Government agency securities
- Certain international agency securities
- General obligation and revenue bonds of U.S. local government entities
- Bankers' acceptances of certain banks
- Commercial paper
- Local government investment pools
- Repurchase agreements
- Money market funds
- Guaranteed investments contracts
- Corporate or bank debt issued by eligible corporations or banks

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

***Custodial Credit Risk - Investments***

The County's investment policy calls for investment diversification within the portfolio to avoid unreasonable risks inherent in over investing in specific instruments, individual financial institutions or maturities. The policy allows for the investment in local government investment pools.

***Interest Rate Risk***

Colorado Revised Statutes and the County's investment policy limit investment maturities to five years or less from the date of purchase. This limit on investment maturities is a means of limiting exposure to fair values arising from increasing interest rates.

***Fair Value***

Fair value investments classified at Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Fair value investments classified as Level 2 of the fair value hierarchy are valued using the active market rates for the underlying securities. Fair value investments classified as Level 3 of the fair value hierarchy are valued using non-observable inputs.

Colorado Government Liquid Asset Trust (ColoTrust) is an investment vehicle established for local government entities in Colorado pursuant to Part 7 of Article 75 of Title 24 of the Colorado Revised Statutes, to pool surplus funds for investment purposes. ColoTrust operates similarly to a money market fund and each share is equal in value to \$1.00. The fair value of the position in the pool is the same as the value of the pool shares. The designated custodial bank provides safekeeping and depository services in connection with the direct investment and withdrawal functions. Substantially all securities owned by the pool are held by the Federal Reserve Bank in the account maintained for the custodial bank. The custodian's internal records identify the investments owned by the pool. Investments of the pools consist of U.S. Treasury bills, notes and note strips, and repurchase agreements collateralized by U.S. Treasury Notes. ColoTrust is rated AAAM by Standard and Poor's.

ColoTrust Edge is a variable net asset value (NAV) local government investment pool that offers weekly liquidity to participants. Edge is suitable for a local government's strategic reserves/non-operating funds and has a NAV that is managed to approximate a \$10.00 transactional share price. ColoTrust Edge measures its investments at fair value so investments in Edge are not required to be categorized within the fair value hierarchy. ColoTrust Edge investments is rated AAAF by FitchRatings.

Colorado Statewide Investment Program (CSIP) is a money market mutual fund. Portfolio investments are assigned a level based upon the observability of the inputs which are significant to the overall valuation. The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities. The fair value of investments in money market funds is based on the published net asset values per share of those funds. Money market securities are valued using amortized cost. Generally, amortized cost approximates the current fair value of a security. CSIP is rated AAAM by Standard and Poor's.

The Colorado Surplus Asset Fund Trust (C-SAFE) investments are valued using the net asset value per share (or its equivalent) of the investments. The investments do not have any unfunded commitments, redemption restrictions, redemption notice periods or withdrawal restrictions. CSAFE investments conform to Colorado Statutes CRS 24-75-601 et. seq. and therefore invests primarily in securities of the United States Treasury, United States Agencies, Primary Dealer Repurchase Agreements, highly rated commercial paper, highly rated corporate bonds, Colorado depositories collateralized at 102% of market value according to the guidelines of the Public Deposit Protection Act. CSAFE measures all of its investments at amortized cost. CSAFE is rated AAAM by Standard & Poor's.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

**NOTE 4 ACCOUNTS RECEIVABLE**

Accounts receivable at December 31, 2023, consisted of the following:

<i>Governmental Activities</i>		
General Fund	\$	66,905
Social Services Fund		2,762
Public Health Nurse (net of allowance for doubtful accounts of \$26,569)		257,138
Road and Bridge Fund		-
Total Governmental Activities Accounts Receivable, net		<u>326,805</u>
<i>Business-type Activities</i>

Total Business-Type Activities Accounts Receivable		<u>27,195</u>
Total Accounts Receivable, net	\$	<u><u>354,000</u></u>

**NOTE 5 PROPERTY TAXES RECEIVABLE**

At December 31, 2023, the County had an estimated property tax receivable divided among the funds as follows:

General Fund	\$	4,498,962
Social Services Fund		714,545
Nonmajor Funds		58,280
		<u>\$ 5,271,787</u>

**NOTE 6 INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS**

***Interfund Receivables/Payables***

The County reports interfund balances between many of its funds. The balances resulted from the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and (3) payments between funds are made. Interfund balances are generally expected to be repaid within one year of the financial statement date.

Interfund receivable and payable balances at December 31, 2023, were as follows:

Receivable Fund	Payable Fund	Amount
General Fund	Social Services Fund	\$ 47,299
	Conservation Trust Fund	936
	Custodial Fund	292,603
		<u>340,838</u>
Road and Bridge Fund	Health Insurance Fund	1,442
		<u>\$ 342,280</u>

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

***Interfund Transfers***

Interfund transfers for the year ended December 31, 2023, were as follows:

Transfer In	Transfer Out	Amount
General Fund	Justice Center	\$ 2,902,508
Facilities Expansion Fund	General Fund	20,000
Debt Service Fund	Justice Center	1,699,500
Airport Fund	General Fund	100,000
Mosca Wastewater Treatment Fund	General Fund	90,000
		\$ 4,812,008

The General Fund received transfers from the Justice Center Fund for the public safety’s portion of sales tax revenue. The Debt Service Fund received transfers from the Justice Center Fund to cover bond payments. The General Fund transferred money to the Airport Fund and Mosca Wastewater Treatment Fund for construction projects. The Facilities Expansion Fund received transfers from General Fund for construction projects and improvements.

Total Business-Type Activities	\$ 33,940	\$ -	\$ 20,435	\$ 13,505	\$ 13,505

***Governmental Activities***

***Financed Purchase Agreements***

*2013 Alamosa County Services and Department of Human Services Building Agreement*

An annually renewable Financed Purchase Agreement, dated December 9, 2013, was entered into between a Bank and Alamosa County (the "County"). The Bank issued \$2,735,000 to the County to construct the new Annex building. The County is financing the Department of Social Services building back at 3.9% interest via a Financed Purchase Agreement. The County used the proceeds to repay the 2009 financed purchase agreement and to construct the new Annex building on land owned by the County and located in Alamosa, Colorado for the housing of County offices. The building is included in capital assets at a cost of \$3,230,870 with accumulated depreciation of \$936,952.

Payments are due to the Bank in March, June, September, and December through December 2033. The County can purchase the building back at any time for the Purchase Option Price included in the agreement. Payments will be made from the Debt Service Fund. Principal balance at December 31, 2023, was \$1,629,629.

*2022 John Deere Motor Grader Agreement*

A Financed Purchase Agreement, dated September 27, 2022, was entered into between Deere Credit, Inc. and Alamosa County (the "County"). The agreement is for the purchase of a 2022 John Deere Motor Grader. The grader is included in capital assets at a cost of \$325,422 with accumulated depreciation of \$77,437.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

Annual payments with 4.45% interest are due to Deere Credit, Inc. in July. The first payment is due in July 2023 and the last payment in July 2027. Payments will be made from the Road and Bridge Fund. Principal balance at December 31, 2023, was \$265,988.

*2023 Caterpillar Motor Grader Agreement*

A Financed Purchase Agreement, dated March 22, 2023, was entered into between San Luis Valley Federal Bank and Alamosa County (the “County”). The agreement is for the purchase of a 2023 Caterpillar Motor Grader. The grader is included in capital assets at a cost of \$380,000 with accumulated depreciation of \$40,986.

Annual payments with 5.875% interest are due to San Luis Valley Federal Bank in March. The first payment is due in March 2024 and the last payment in March 2028. Payments will be made from the Road and Bridge Fund. Principal balance at December 31, 2023, was \$302,000.

The annual debt service for the agreements are as follows:

	Principal	Interest	Total

***Certificates of Participation***

*2016 Justice Center Financed Purchase Agreement*

An annually renewable Financed Purchase Agreement, dated October 15, 2016, was entered into between UMB Bank and Alamosa County. UMB Bank issued \$21,735,000 of Certificates of Participation Series 2016 to finance the acquisition, construction, installation, and equipping of various public improvements, and paying the costs of issuance by UMB Bank. The buildings will be financed to the County from UMB Bank under the Financed Purchase Agreement, dated October 15, 2016. The detention center is included in capital assets at a cost of \$10,534,469 with accumulated depreciation of \$842,758, and the justice center is included in capital assets at a cost of \$14,821,952 with accumulated depreciation of \$1,259,866, at December 31, 2023.

The County will make payments to UMB Bank, and UMB Bank will use those funds to pay the principal and interest payments prescribed by the Certificates of Participation document. Payments on these Certificates of Participation will be funded from the judicial and detention sales tax. Principal repayments began November 15, 2017, and will finish on November 15, 2035. The interest rate ranges from 2.00% to 5.00% and will be paid semi-annually. The cost of issuing the Certificates of Participation was \$197,562. Principal balance at December 31, 2023, was \$15,650,000.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

The annual debt service for the certificates are as follows:

	Principal	Interest	Total
2024	\$ 1,015,000	\$ 680,300	\$ 1,695,300
2025	1,055,000	640,500	1,695,500

	\$ 15,650,000	\$ 4,708,700	\$ 20,358,700

***Business Type Activities:***

***Financed Purchase Agreement***

*2008 Airport Air Ambulance Hangar Agreement*

Agreement payable to a bank, payable in monthly installments of \$1,798 including interest at 4.50%, for the purchase of a hangar. Final payment is due in 2024.

The annual debt service for the Agreement, is as follows:

	Principal	Interest	Total
2024	\$ 13,505	\$ 239	\$ 13,744
	\$ 13,505	\$ 239	\$ 13,744

**NOTE 11 DEFINED CONTRIBUTION PLAN**

All eligible employees, participate in the Colorado County Officials and Employees Retirement Association (CCOERA) (the Plan), a defined contribution plan, authorized by state statute. The Plan is a tax qualified plan under Section 401(a) of the Internal Revenue Code and all contributions by or on behalf of employees are tax deferred until time of withdrawal.

Employees are eligible after completing twelve months of service with Alamosa County, and participation is mandatory after one year of employment. Employee and employer contributions are 100% vested immediately upon employee participation in the plan.

The County must contribute 4% of the compensation of each participant. Each participant contributes a minimum amount equal to the County's contribution, and is permitted to make additional contributions not to exceed 10% of their compensation. For the year ended December 31, 2023, employee contributions totaled \$292,926 and the County recognized pension expense of \$293,168. The County recognized \$514 of forfeitures in retirement expense during 2023.

Plan benefits depend solely on amounts contributed to the plan plus investment earnings, less administrative expenses. The Plan may be amended by resolution of the Board of County Commissioners but it may not be amended beyond the limits established by state statute.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

**NOTE 12 DEFERRED COMPENSATION PLAN**

The County also offers its employees an additional voluntary deferred compensation plan created in accordance with Internal Revenue Code 457(f), administered by Colorado County Officials and Employees Retirement Association (CCOERA) (the Plan).

The Plan permits the employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergencies. The County has no other liability other than to make the required monthly contribution.

**NOTE 13 COLORADO CONTRABAND FORFEITURE ACT**

We have reviewed financial activities in the Sheriff's Department for compliance with the above referenced act. There were no sales of contraband during the year ended December 31, 2023.

**NOTE 14 TABOR AMENDMENT RESERVE**

Colorado voters passed an amendment to the State Constitution, Article X, Section 20, which has several limitations, including revenue raising, spending abilities, and other specific requirements of state and local governments. The amendment is complex and subject to judicial interpretation. The County believes it is in compliance with the requirements of the amendment.

Fiscal year spending and revenue limits are determined based on the prior year's spending adjusted for inflation and local growth. The voters of the County have approved a measure that allows the County to retain and spend revenue in excess of the limit.

The amendment also requires that Emergency Reserves be established. These reserves must be at least three percent of fiscal year spending. The Emergency Reserve has been presented as restricted fund balance/net position in the financial statements. The County is not allowed to use the Emergency Reserves to compensate for economic conditions, revenue shortfalls, or salary or benefit increases.

**NOTE 15 RISK MANAGEMENT**

***Colorado Counties Casualty and Property Pool (CAPP)***

The County is exposed to various risks of loss related to property and casualty losses. The County joined together with other counties in the State of Colorado to form the Colorado Counties Casualty and Property Pool (CAPP), a public entity risk pool currently operating as a common risk management and insurance program for member counties. The County pays an annual contribution to CAPP for its property and casualty insurance coverage. The inter-governmental agreement of formation of CAPP provides that the pool will be financially self-sustaining through member contributions and additional assessments, if necessary, and the Pool will purchase excess insurance through commercial companies for members' claims in excess of a specified self-insured retention that is determined each policy year. There have been no significant reductions in insurance coverage. Settled claims from these risks have not exceeded insurance coverage for the current year or the three prior years.

At December 31, 2023, CAPP had assets of \$29,572,690, liabilities of \$18,386,695 (including \$17,157,405 reserved for losses and claims), and members' equity of \$11,185,995. The liability amount includes no long-term debt. Total revenues for the year ended December 31, 2023, amounted to \$15,156,572 and total expenses were \$12,532,239, resulting in net income before return of surplus of \$2,624,333.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

***Colorado Workers' Compensation Pool (CWCP)***

The County is exposed to various risks of loss related to injuries of employees while on the job. The County has joined together with other counties in the State of Colorado to form the Colorado Workers' Compensation Pool (CWCP), a public entity risk pool currently operating as a common risk management and insurance program for member counties. The County pays an annual contribution to CWCP for its workers' compensation insurance coverage. The intergovernmental agreement of formation of CWCP provides that the pool will be financially self-sustaining through member contributions and additional assessments, if necessary, and the Pool will purchase excess insurance through commercial companies for members' claims in excess of a specified self-insured retention that is determined each policy year. There have been no significant reductions in insurance coverage. Settled claims from these risks have not exceeded insurance coverage for the current year or the three prior years.

At December 31, 2023, CWCP had assets of \$55,475,628, liabilities of \$30,105,475 (including \$25,974,257 reserved for losses and claims) and members' equity of \$25,370,153. The liability amount includes no long-term debt. Total revenues for the year ended December 31, 2023, amounted to \$11,864,038, total expenses were \$7,238,446, resulting in net income before return of surplus of \$4,625,592.

**NOTE 16 JOINT VENTURES**

***San Luis Valley Regional Solid Waste Authority***

The San Luis Valley Regional Solid Waste Authority (the Authority) was created by an intergovernmental agreement between Rio Grande County and Alamosa County on April 14, 1995, pursuant to the authority granted by C.R.S. 29-1-203. It has been designated as a joint venture under the provisions of GASB Statement No. 14. Its purpose is to provide the citizens of both counties an integrated municipal solid waste disposal facility in accordance with provision of C.R.S. 30-20-1005.

The Authority is governed by a Board of Directors consisting of five members as follows: one Rio Grande County Commissioner, one Alamosa County Commissioner, one director appointed by the City of Monte Vista, one director appointed by the City of Alamosa, and one director who is a member of the Rio Grande County Land Use or administrative staff as appointed by the Rio Grande County Commissioners.

It is the intent of the counties that the initial funding of the Authority by each county be provided on a loan basis in substantially the same proportion that the population of each county bears to the combined population of both counties. Alamosa and Rio Grande Counties may provide additional funding at any time in the future if they choose to do so by resolution.

***Closure and Post-Closure Care***

Rio Grande and Alamosa Counties are exposed to closure and post-closure expenses should the Authority be unable to meet those obligations when they become due. Management believes the risk of failure to be minimal. State and federal laws and regulations require the Authority to place a final cover on its landfill site when it stops accepting waste and to perform certain maintenance and monitoring functions at the site after closure. Although closure and post-closure care costs will be paid only near or after the date that the landfill stops accepting waste, the Authority reports a portion of these closure and post-closure care costs as an operating expense in each period based on landfill capacity used as of each balance sheet date. The Authority reported \$1,360,360 as landfill closure and post-closure care liability at December 31, 2022, that represents the cumulative amount reported to date based on the use of 43% of the estimated capacity of the landfill.

The Authority will recognize the remaining estimated cost of closure and post-closure care of \$1,788,865 as the remaining estimated capacity is filled. These amounts are based on what it would cost to perform all closure and post-closure care in 2022, the most recent information available. As the Authority expects to close the landfill in the year

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**December 31, 2023**

2043, the remaining useful life is 21 years. Actual costs may be higher due to inflation, changes in technology, or changes in regulations.

The most recent audited financial statements of the Authority report total assets of \$4,840,221, total liabilities of \$1,443,434, and net position of \$3,396,787 at December 31, 2022.

The San Luis Valley Regional Solid Waste Authority issues publicly available annual financial statements. That report may be obtained by writing to the San Luis Valley Regional Solid Waste Authority, PO Box 861, Monte Vista, Colorado 81144.

**NOTE 17 COMMITMENTS AND CONTINGENCIES**

***Grant Programs*** – The County participates in a number of federal and state grant programs. These programs are subject to program compliance audits by the grantors or their representatives. The amount of expenditures, if any, which may be disallowed by the granting agencies cannot be determined at this time although the County expects any such amounts to be immaterial.

***Insurance Pools*** – The County is a member of the Colorado Counties Casualty and Property Pool (CAPP) and the Colorado Workers' Compensation Pool (CWCP). CAPP and CWCP have a legal obligation for claims against its members to the extent that funds are available in their annually established loss funds and amounts are available from insurance providers under excess specific and aggregate insurance contracts. Losses incurred in excess of loss funds are direct liabilities of the participating members. CAPP and CWCP have indicated that the amount of any excess losses would be billed to members in proportion to their contributions in the year such excess occurs. The ultimate liability to the County resulting from claims not covered by CAPP and CWCP is not presently determinable.

***Litigation*** – The County is a party to various legal actions normally associated with governmental activities, the aggregate effect which, in management's and legal counsel's opinion, would not be material to the financial statements.

***SLV Regional Airport*** – The Federal Aviation Administration (FAA) has proposed a \$1,290,780 civil penalty against the County for allegedly failing to comply with requirements under CFR Part 139 between November 2020 and September 2021. The County has been in negotiation with the FAA since receipt of the notice from the FAA for failure to comply with specific FAA regulations. As of December 31, 2023, negotiations continue. The October 2023 settlement proposed a fine of \$64,539, increased staffing and a two-year probationary period. Management believes a final settlement agreement will be complete in 2024.

***Airport Building*** – The County is in the process of constructing an aircraft rescue, firefighting, and snow removal building. \$4,297,934 will be received from the Federal Aviation Administration with a 5% match required. The construction estimated completion date is the end of 2024. As of December 31, 2023, project costs are approximately \$783,934 with total estimated completion costs of \$4,524,140.

***Alamosa State Bank Building*** – The Alamosa State Bank Board of Directors donated the building located at 601 Main Street in Alamosa, to Alamosa County to be remodeled into a permanent facility for the 12th Judicial District Attorney. The Commissioners accepted the donation and will begin the process of remodeling the building in 2024. While Alamosa County is the lead on this project, funding will come from grants and other funding sources and will not impact Alamosa County fund balances.

## **ALAMOSA COUNTY, COLORADO**

### **SUPPLEMENTARY INFORMATION**

The combining financial statements represent the second level of financial reporting for the County. These financial statements present more detailed information for the individual funds in a format that segregates information by fund type.

# ALAMOSA COUNTY, COLORADO

## NONMAJOR GOVERNMENTAL FUNDS

### SPECIAL REVENUE FUNDS

Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service and capital projects.

**Public Health Fund** – This fund is used to account for multiple programs of providing public health nursing services. Financing is provided by grants and fees for services.

**Conservation Trust Fund** – This fund is used to account for the County share of the state lottery program. The monies may be expended for the acquisition, development, and maintenance of parks, and other public recreational facilities.

**Tourism and Development Fund** – This fund is used to account for the County share of the lodging tax collected on each hotel/motel that is rented in Alamosa County. The monies may be expended to promote Alamosa County to tourists.

**Northwest Weed Control District Fund** – This fund is used to provide monies for spraying of undesirable plants along the roads within the northwest corner of the County.

**Local Marketing District Fund** – This fund is used to oversee the collection and disbursement of a 4% cultural and tourism tax on each hotel/motel room sold in Alamosa County.

### CAPITAL PROJECTS FUNDS

Capital projects funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays including the acquisition or construction of capital facilities and other capital assets.

**Facilities Expansion Fund** – This fund is used to account for the facility construction projects of Alamosa County.

### DEBT SERVICE FUNDS

Debt service funds are used to account for and report financial resources that are restricted or committed to expenditure for principal and interest.

**Lease Service Fund** – This fund is used to pay the debt service on the construction of the Alamosa County buildings, which were financed through Financed Purchase Agreements.

**ALAMOSA COUNTY, COLORADO**  
**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**For the Year Ended December 31, 2023**

**NOTE 1 BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Alamosa County, Colorado under programs of the federal government for the year ended December 31, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Alamosa County, Colorado, it is not intended to and does not present the financial position, changes in net position, or cash flows of Alamosa County, Colorado.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting with the following exceptions. Funds passed-through the Colorado Department of Human Services, Department of Public Health and Environment, Department of Health Care Policy and Financing, and Care and Share Food Bank are reported on a cash basis. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available. Community Development Block Grants/State's Program and Non-Entitlement Grants in Hawaii funds were passed through to subrecipients. The County did not elect to use the 10-percent de minimis indirect cost rate as allowed under Uniform Guidance for the year ended December 31, 2023.

**NOTE 3 FOOD DISTRIBUTION**

Nonmonetary assistance is reported in the Schedule at the fair market value of commodities received and disbursed.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

**Wall,  
Smith,  
Bateman Inc.**

To the Board of County Commissioners  
Alamosa County, Colorado  
Alamosa, Colorado

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Alamosa County, Colorado (the County), as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated June 13, 2024.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as Finding 2023-001 that we consider to be a significant deficiency.

**Certified Public Accountants**

3001 Adcock Circle PO Box 809 Alamosa, CO 81101 | 719-589-3619 | f 719-589-5492 | [www.wsbcpa.com](http://www.wsbcpa.com)

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Alamosa County's Response to the Finding**

*Government Auditing Standards* requires the auditor to perform limited procedures on the County's response to the findings identified in our audit and described in the accompanying corrective action plan. The County's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE  
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

**Wall,  
Smith,  
Bateman Inc.**

To the Board of County Commissioners  
Alamosa County, Colorado  
Alamosa, Colorado

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited Alamosa County, Colorado's (the County) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended December 31, 2023. The County's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2023.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the County's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the County's federal programs.

**Certified Public Accountants**

3001 Adcock Circle PO Box 809 Alamosa, CO 81101 | 719-589-3619 | f 719-589-5492 | [www.wsbcpa.com](http://www.wsbcpa.com)

### ***Auditors' Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### ***Report on Internal Control over Compliance***

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**ALAMOSA COUNTY, COLORADO**  
**SCHEDULE OF FINDINGS AND QUESTIONED COSTS**  
**Year Ended December 31, 2023**

**Section II – Financial Statement Findings**

**Finding 2023-001: Internal Control over Financial Reporting**  
**(Repeat of Finding 2022-001, 2021-001, 2020-001, 2019-001 and 2018-001)**

*Type of finding: Internal Control (significant deficiency)*

*Criteria:* A system of internal controls includes the design, documentation, and monitoring of control activities over the application of accounting principles, non-routine transactions, and financial statement preparation.

*Condition:* The County's system of internal controls did not detect and correct financial misstatements.

*Cause:* The County does not have a complete system of internal control to ensure non-routine transactions are properly recorded.

*Effect:* Audit adjustments were proposed to properly state the financial statements as of December 31, 2023, in accordance with generally accepted accounting principles.

*Recommendation:* The County should continue to strengthen its internal controls with adopted policies and procedures to ensure non-routine transactions are properly recorded.

*Management's Response:* See corrective action plan.

**Section III – Federal Award Findings and Questioned Costs**

None

**(Repeat of Finding 2021-001, 2020-001, 2019-001, and 2018-001)**

*Type of finding: Internal Control (material weakness)*

*Condition:* The County’s system of internal controls did not detect and correct financial misstatements.

*Status:* Partially Implemented. (See Finding 2023-001)

**Section III – Federal Award Findings and Questioned Costs**

**Finding 2021-002: TANF Program, CFDA No. 93.558**  
**U.S. Department of Health and Human Services**

*Passed through Colorado Department of Human Services*

*Compliance Requirement: Eligibility and Special Tests and Provisions*

*Grant No.: Not applicable*

*Type of finding: Internal Control (significant deficiency) and Compliance (noncompliance)*

*Condition:* Four of the fifteen cases reviewed were missing required information as described below:

- Two instances of missing initial assessments
- Two instances of missing roadmaps
- One instance of initial assessment being completed outside of the 30 day compliance requirement

*Status:* Implemented

**Finding 2022-002: Airport Improvement Program, CFDA No. 20.106**  
**U.S. Department of Transportation**

*Compliance Requirement: Special Tests and Provisions*

*Grant No.: Not applicable*

*Type of finding: Internal Control (significant deficiency) and Compliance (noncompliance)*

*Condition:* The County did not obtain the required certified payroll reports from the contractor.

*Status:* Implemented

**ALAMOSA COUNTY, COLORADO**  
**SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS**  
**December 31, 2023**

**Finding 2022-003:     Airport Improvement Program, CFDA No. 20.106**  
**U.S. Department of Transportation**

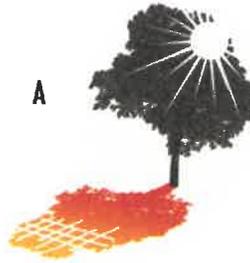

*Compliance Requirement: Reporting*

*Grant No.: Not applicable*

*Type of finding: Internal Control (material weakness) and Compliance (material noncompliance)*

*Condition:* The County omitted cash disbursements of \$995,545 which resulted in reporting cash on hand of this same amount on the SF-425 Annual Federal Financial Report for the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) grant submitted for the Airport Improvement Program (AIP) project for the period ending September 30, 2022.

*Status:* Implemented

**CORRECTIVE ACTION PLAN**

Oversight Agencies: U.S. Department of Transportation and U.S. Department of Health and Human Services

Alamosa County, Colorado respectfully submits the following corrective action plan for the year ended December 31, 2023.

Independent Accountants: Wall, Smith, Bateman Inc.  
 Certified Public Accountants  
 3001 Adcock Circle  
 Alamosa, CO 81101

Audit period: Year ended December 31, 2023

The findings from the December 31, 2023 schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the schedule. Section I of the schedule, Summary of Auditors' Results, does not include findings and is not addressed.

**Section II – Financial Statement Findings**

**Finding 2023-001: Internal Control Over Financial Reporting**  
 (Repeat of Finding 2022-001, 2021-001, 2020-001, 2019-001 and 2018-001)

*Type of finding: Internal Control (significant deficiency)*

*Recommendation:* The County should continue to strengthen its internal controls with adopted policies and procedures to ensure non-routine transactions are properly recorded.

*Action Taken:*

1. Management will develop necessary internal controls needed to ensure proper reporting for non-routine transactions.
2. Management will pursue training for non-routine transactions.
3. Management will reference available sources for non-routine transactions.

If there are questions regarding this plan, please call the responsible parties listed below.

**NOTE 1 BASIS OF PRESENTATION**

The accompanying Schedule of Passenger Facility Charges (PFCs) Collected and Expended (Schedule) includes the PFC activity of the San Luis Valley Regional Airport. The information in this schedule is presented for purposes of additional analysis as specified in the *Passenger Facility Charge Audit Guide for Public Agencies*, issued by the Federal Aviation Administration. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in preparation of, the basic financial statements.

PFC expenditures may consist of direct project costs, administrative costs, debt service costs, and bond financing costs, if requested in the application. Eligible expenditures not requested or approved in the application are not applied against PFCs collected. The accompanying Schedule of PFCs Collected and Expended include eligible expenditures that have been applied against PFCs collected as of December 31, 2023.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH  
REQUIREMENTS APPLICABLE TO THE PASSENGER FACILITY  
CHARGE PROGRAM AND ON INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH REQUIREMENTS  
ISSUED BY THE FEDERAL AVIATION ADMINISTRATION**

**Wall,  
Smith,  
Bateman Inc.**

To the Board of County Commissioners  
of Alamosa County  
Alamosa, Colorado

**Report on Compliance for Passenger Facility Charges**

***Opinion on the Passenger Facility Charges***

We have audited San Luis Valley Regional Airport's (the Airport) compliance with the types of compliance requirements described in the *Passenger Facility Charge Audit Guide for Public Agencies*, issued by the Federal Aviation Administration (the Guide) for the year ended December 31, 2023.

In our opinion, the Airport complied, in all material respects, with the requirements of the passenger facility charge program for the year ended December 31, 2023.

***Basis for Opinion on the Passenger Facility Charges***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the Guide. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Airport and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the passenger facility charge program. Our audit does not provide a legal determination of the Airport's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the passenger facility charge program.

***Auditors' Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Airport's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Airport's compliance with the requirements of the passenger facility charge program.

**Certified Public Accountants**

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Guide we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Airport's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Airport's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of the Airport's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of the passenger facility charge program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of the passenger facility charge program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of the passenger facility charge program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guide. Accordingly, this report is not suitable for any other purpose.
