

# July – September 2025 Quarterly Progress Report

## Document Remediation

- As of the end of the quarter, 103 files, 1,553 pages have been remediated through the PREP software.
- All Alamosa County Commissioner Meeting Minutes and Agendas posted on the Alamosa County website beginning January 1, 2024 have been made accessible.

## Website

- Fixed problem with facebook feed not displaying on mobile devices
- Fixed a problem with closed sections sometimes displaying text off screen and causing screen flickering when opened
- Increased font size for the “Breadcrumb” section on all pages to increase readability
- Added and/or confirmed accessibility features to the following pages and the documents contained within them
  - 12th judicial district community correction board
  - Alamosa County Weed District
  - Board of Adjustment
  - Local Marketing District/Visit Alamosa
  - Planning Commission
  - Rio Grande Basin Roundtable
  - Rio Grande Water Conservation District Board of Directors
  - San Luis Valley Airport Advisory Board
  - San Luis Valley Fair Board
  - San Luis valley GIS/GPS
  - Elected Officials
  - Assessor page
  - Board of County Commissioners
  - Coroner page
  - Surveyor page
  - Administrator page
  - All pages under the San Luis Valley Regional Airport section
  - Various other pages contained in other sections that are to be included after testing in the next quarters report
